

Trinity United

Welcome! We are thrilled that you decided to check us out today.

Here is some information that you might find helpful:

- There is a bathroom on each floor of the church by the stairs.
- If it feels too loud or your kids have too much energy, feel free to use the chairs in the area just outside the sanctuary. You can still hear and see the service from there.
- If you need a cushion, ask the person handing out the bulletins.
- If you wish to light a candle for someone in your thoughts, you can do so at the front of the church before service.
- If you need to use the lift, a lift operator (the friendly person standing by the lift) would love to help you.
- Children and Youth programming is for kids of all ages. The kids leave after the Music Ministry and go downstairs to the Norfolk Room. Please go downstairs after the service is over to pick up your kids. Our programming is run by Wendelin.
- Please join us, after service we meet in Trinity Hall for tea, coffee, juice, water, decaf coffee and tea as well as often a snack.
- If you wish to put some money in the collection plate, it is located where you go to get your bulletin.
- If you want to learn more about the activities going on at Trinity, complete the form on the back of this page and/or check out our website, Facebook page, Instagram and paper announcements.
